TO ALL PASTORS AND RELIGIOUS LIBERTY LEADERS

Christian greetings!

RE: CJC Religious Liberty Symposium, May 25, 2024 – Spanish Town SDA Church

As we '*Reposition for MORE in 2024*', I pray and hope that we remain resilient in standing up for religious liberty and fighting against any entity that seeks to trample on this God-given right. You may be aware that many of our members, especially our new converts and students, are often challenged with Sabbath observance. Therefore, we have organized a **Religious Liberty Symposium** to be held **Sabbath, May 25, 2024**, at the **Spanish Town Seventh-day Adventist Church**. This all-day event was originally calendared for April 27 but had to be altered, we do apologise for any inconvenience this may have caused.

Our guest speaker is Elder Nigel Coke, Public Affairs and Religious Liberty Director for the Jamaica Union Conference of Seventh-day Adventists. Also, we will be hosting a number of government ministries and representatives as we seek to explore the theme, **Religious Liberty: A Right or Privilege?**

We are inviting all Pastors and Religious Liberty leaders to be in attendance. However, if you are unable to attend, the programme will be streamed live online and available on demand at the CJC Online Church YouTube Channel. If you will be in attendance please complete the online registration form <https://forms.gle/D8WCRgLOGdJhQQ9L8> or scan the QR code below or call the Religious Liberty Administrative Assistant to register on or before May 9, 2024.

We look forward to your continued support regarding this initiative.

Yours in the service of God,

Dr. Kemar Douglas, J.P, MD, DMin,
Health Ministries, Spirit of Prophecy, Public Affairs and Religious Liberty Director
