TO ALL CHURCHES – Family Ministries Departments

Dear Church Families:

Reading Assignment - *The Adventist Home*

Our earlier communication in March introduced the challenge to each family to read or re-read *The Adventist Home* by Ellen G. White. As a church, we believe that, coupled with much prayer and study of God's Word, our families also need the practical counsels that this precious piece of literature makes available.

The May to May Reading plan and registration link are included in this letter. Please motivate your own family and the families in your congregation to register, participate in this meaningful exercise, and to report their monthly progress to the Family Ministries Leader.

Let us strive, by God's enabling, to keep our families holy, healthy, and happy!

Respectfully,

Pastor Horace Wilson
Director, Family Ministries & Counselling Services
