To all Pastors and Family Ministries Leaders

Dear Pastors and Leaders:

Re: Evangelistic Emphasis and Family Foci

Christian greetings from the Family Ministries Department of the Central Jamaica Conference of Seventh-day Adventists! Please accept my profound gratitude for your exceptional support of Family Ministries in the local church during the past Quadrennium.

As I prayerfully commence the 2022-2026 term of office as Director, I hasten to express my sincere thanks to Pastor, Dr. Clifton Knight, for his leadership of this office. I seek your prayers for him as he transitions into his new pastoral assignment, and for me, as I humbly take the task God gives me.

This communiqué is to also remind you of the Conference's major evangelistic emphasis during the month of September. All departments, including Family Ministries, are asked to join the **Christ for the Crisis** Evangelistic Series, instead of hosting the calendared events. I recommend that you use the opportunity to pray for and with, not only individuals, but entire families, and to invite them to attend the upcoming series online, or on location at the Family of God SDA Church.

Let us also pray and prepare for the following events:

- Sabbath, October 29, 2022: *Family Togetherness Day of Prayer (for marriages, families, and relationships)*, conference-wide
- Sabbath, November 5, 2022: *Online Parenting Conference* – a feature of Parent Month (November).

May Christ-led reconciliation and renewal be the results of your faithful efforts. The grace of God continue to sustain you, your families, and your service.

Respectfully,

Pastor Horace Wilson
Director, Family Ministries & Counselling Services
