April 4, 2024

**To: All Pastors, Elders and Women's Ministries Leaders**

Christian greetings,

It brings us immense joy and pride to acknowledge the remarkable strides being made within the Women's Ministries of our church community. As we reflect on the reports shared during the commemoration of Women's International Day of Prayer in our local congregations, the unwavering support extended to the Women's International Day of Prayer Summit, and promotion of our Women's Retreat we are filled with gratitude.

On **June 8, 2024**, we invite you to lead your local congregation to join us in celebrating Women's Ministries Emphasis Day, an occasion where women take the lead in our worship service. It's a moment to enlighten our congregation about the objectives of Women's Ministries. This year, our theme is "The God Who Sees You".

We encourage you to help us make this day remarkable by extending invitations to women in your community. Together, let's recognize that our God sees us, even amidst the deserts of our lives, the pain of shattered dreams and relationships, and the shadows of our own failings.

Attached, you'll find the 2024 Women's Ministries Emphasis Day resource packet titled "The God Who Sees You", authored by Edith Ruiz-Espinoza, the Women's Ministries director for the Inter-American Division. This packet includes a children's story, a sermon titled "The God Who Sees You", and a workshop named "The Apple of His Eye". Let's come together to embrace the divine presence that sees and cherishes each one of us.

Yours faithfully

---

Rox-Anne Mckoy-Chambers  
*Director, Education and Women's Ministries*
