January 27, 2021

To: All Pastors, Women's Ministries Leaders, Assistant Leaders and Phoebe Coordinators.

Christians Greeting!

The Central Jamaica Conference Women's Ministries Department will be engaged in a spiritual and energizing two week online Evangelistic programme for our young adults. The program will be from April 18 - May 1, 2021 captioned "**PROCLAIM**". It will be a day and evening initiative that will include a children's corner, health presentations, drama, music, sermons, our Purple Door podcast, and many more. We are aware of the issues affecting our young adults and we pledge to positively impact their lives and to help them to rediscover their potential also to renew their relationship with God.

We, therefore, solicit your full support and cooperation for this initiative. Please encourage the PHOEBES to work with our Bible workers in preparing souls for God's Kingdom.

Yours in the Master's service.

Claudia Bailey, (Mrs.)

Director, Women, Children & Adolescent Ministries
