To: All Pastors, Elders, Women's Ministries leaders, and assistants.

Christian greetings,

I trust this message finds you in good health and high spirits. I extend heartfelt gratitude for your invaluable support during the recent Leadership Training and Consecration Service; your participation was deeply appreciated.

As we approach the commemoration of **International Women's Day of Prayer on March 2, 2024**, I am thrilled to announce the Central Jamaica Conference's initiative to host a **Virtual Prayer Summit** from **March 1- 3, 2024**, accessible via the CJC online church and prayer YouTube platform. The theme of this event is "**Ignite Your Prayer Life**". We ask women to join in praying for six critical issues that affect women worldwide: Abuse, Poverty, Health, Illiteracy, Workload, and Leadership Opportunities.

The General Conference office has prepared a packet, containing a sermon titled "Ignite Your Prayer Life" along with a children's story, and a seminar entitled "Five Spiritual Benefits of Prayer." To increase the impact of the Women's Day of Prayer we encourage each local Church to organize a prayer walk within their respective communities or find a creative way to pray for the community members.

We look forward to a transformative and deeply impactful prayer summit. Your unwavering support continues to be a source of immense encouragement to us. May God bless you in all your endeavours.

Yours faithfully
